Quick facts about GIO Funeral Insurance

Sometimes it's tempting to not read insurance documents from cover to cover. We appreciate that, but we encourage you to read this document because understanding your GIO Funeral Insurance policy is important. To help you out, below are some quick facts about your cover and premium. We've also included references to where, in this document, you can find more detail.

Funeral Benefit (full details Section 4.1)

This policy pays a benefit if you die, providing financial help to cover the cost of your funeral and other associated expenses. The below table explains the benefit that is payable depending on the timing and cause of your death.

Event	Type and timing of event	Benefit payable
Your death	Accident within the first 12 months of your policy	Your sum insured
	Sickness within the first 12 months of your policy	Your premiums refunded
	Any cause after the first 12 months of your policy	Your sum insured

Early Payment Benefit (full details Section 4.2)

This policy pays a benefit if you are terminally ill, allowing you to arrange your financial affairs. The below table explains the benefit payable depending on the timing of your terminal illness.

Event	Timing of event	Benefit payable
Your terminal illness	Before or during the first 12 months of your policy	No payment. Your policy continues and you will become eligible for payment from your first policy anniversary.
	After the first 12 months of your policy	Your sum insured

Your premiums (full details Section 8)

You have a choice of **premium options** and you should think about which suits you and your budget. You can choose between the following:

- ▶ A stepped **premium** which increases each year as you age; or
- ▶ A level **premium** which starts out higher but does not increase each year as you get older.

Regardless of your choice between stepped or level **premiums**, we offer the Automatic Indexation Benefit (see Section 4.4) which increases your **sum insured** each year in line with inflation (to a maximum of 10%). Your **premium** will increase to reflect any increase to your **sum insured** unless you choose to decline it.

For both **premium options**, you will not pay any **premiums** after the **policy anniversary** when you are aged 85. Your cover will continue at no cost to you.

Value Promise (full details Section 4.7)

Depending on how long you hold your GIO Funeral Insurance policy, you may pay more in premiums than your **sum insured**. At claim time, we will compare your cover amount to the amount you have paid in premiums and, if eligible for payment of the Funeral Benefit or Early Payment Benefit, we will pay whichever amount is greater. This means that you will never pay more in premiums than will be received at claim time.

Now that you know the key facts, read on to learn more detail about your cover and other benefits available on your Funeral Insurance policy.

If **you** are issued a GIO Funeral Insurance **policy**, this PDS, together with the **schedule**, constitutes **your** insurance **policy** and is evidence of **your** insurance with **us**. **You** should read this document in conjunction with the **schedule** because together they contain important information relating to **your policy**. Please keep this PDS and **your schedule** in a safe place. **Your schedule** is issued to **you** based on the information provided by **you**, to **us** on **your** application for insurance.

GIO Funeral Insurance is not a savings plan. The primary purpose is to provide a benefit under the terms and conditions of the **policy** in the event of a claimable event.

All the information contained in this PDS is current at the time of issue. **We** may change or update any information in this PDS from time to time. If the change is not materially adverse, **we** may notify **you** about that change by preparing an update on **our** website, www.gio.com.au/funeral. **You** can also obtain a printed copy of this free of charge by contacting **us** (please refer to the back cover for details). If

the change is a material or significant one, **we** will generally notify **you** within 3 months of the change occurring. **We** may also make improvements to **your policy** without any increase to **your premium**. If **we** make a change to **your policy** which in **your** opinion was adverse to **you**, **we** will, if **you** make a claim, assess **your** claim on the terms of the **policy** before the change took place.

If **you** are issued a GIO Funeral Insurance **policy**, **you** are the **policy owner** and **insured person** listed on the **schedule**. You are covered for the insured events under **your policy** 24 hours a day, every day of the year. If **premiums** payable under the **policy** are paid (please refer to Section 8 Your premium), **your policy** will continue, unless **your policy** stops earlier (please refer to Section 6 When will cover stop?).

Before **you** buy this insurance, please read this PDS carefully, including Section 7 When we won't pay. Any information contained in this document has been prepared by Suncorp without taking into account **your** particular objectives, financial situation or needs. For that reason, before acting on the information, **you** should consider the appropriateness of the information in regard to **your** own circumstances .

For details on how to contact **us**, please refer to the back cover.

2.0 Who can apply?

Applicants for a single life or a joint life GIO Funeral Insurance **policy** must:

- ▶ be aged between 45 and 75 (inclusive),
- ▶ be an Australian or New Zealand citizen or permanent resident and residing in Australia at the time of application; and
- ▶ have received this PDS in Australia.

Once **you** have provided **us** correct payment details and **we** have accepted **your** application, **you** will be covered for the benefits outlined in this document 24 hours a day, every day of the year, anywhere in the world.

We guarantee to renew **your policy** every year, but **you** should be aware there are times when **your policy** will stop earlier (please refer to Section 6 When will cover stop?)

3.0 Your cooling off period

You have 30 days from the **policy commencement date** to check that this insurance meets **your** needs. This is the cooling off period.

You can cancel **your policy** during this cooling off period by notifying **us**, and confirming **your** identity, in writing or verbally. Provided **you** have not made a claim, **you** will receive a refund in full of any money **you** have paid.

4.0 Details of cover and benefits

When **you** apply for a GIO Funeral Insurance **policy**, **you** choose the level of cover **you** think **you** need. The minimum amount **you** can apply for is \$5,000 and the maximum amount, in increments of \$1,000, depends on the **premium** type **you** choose.

For stepped **premiums**, the maximum **sum insured** at application is \$30,000

For level **premiums**, the maximum **sum insured** at application is \$15,000

Payment of a benefit is subject to **our** acceptance of **your** claim (please refer to Section 12 Claims). The most **we** will pay under this GIO Funeral Insurance **policy** is the **sum insured** for each **insured person** plus any Value Promise that may be applicable (refer to section 4.7).

The maximum amount **we** will pay across all funeral insurance **policies** issued by **us** for the same **insured person** is \$30,000 (plus indexation) or \$15,000 (plus indexation) if **you** have chosen a level **premium**.

For single life policies

If **you** are the only **insured person** listed on the **schedule**, **you** are the sole owner of the **policy**. **You** will be asked to nominate a beneficiary to receive any benefit payable on **your** death. If **you** do not nominate a beneficiary, any benefit payable on **your** death will be paid to the **legal personal representative** of **your** estate.

For joint life policies

If **you** are applying for a joint **policy**, **your schedule** will show two **insured persons** who are also joint **policy owners**. The **sum insured** for each **insured person** can be different but the **premium option you** choose must be the same. If **you** would like to choose different **premium options**, each applicant should apply for a single life **policy**.

Joint **policy owners** will be asked to nominate a beneficiary to receive any benefit payable upon the death of one or both of the **insured persons**. If **you** choose to nominate a beneficiary, each **insured person** must sign the nomination. If no beneficiary is nominated, any benefit payable under **your policy** following the death of a **policy owner** will be paid to the surviving **policy owner** or **your** estate if there is no surviving **policy owner**.

Each **insured person** listed on the **schedule** is entitled to the following benefits under **your policy**:

4.1 Funeral Benefit

During the first 12 months of **your policy**, **we** will only pay **your** Funeral Benefit if **your** death is as a result of an **accident**. The **accident** must occur after **your policy commencement date**. After the first 12 months of **your policy**, **we** will pay **your** Funeral Benefit if **your** death is as a result of any cause.

Your Funeral Benefit will not be payable if **you** die during the first 12 months after **your policy commencement date** as a result of:

- ▶ an **accident** that occurred prior to **your policy commencement date**;

- ▶ a **sickness**; or
- ▶ an intentional self-inflicted act.

If this happens, **we** will refund all **premiums** paid under **your policy**.

We must receive notice of any claim for payment of the Funeral Benefit as soon as reasonably possible.

Please refer to Section 6 When will cover stop? for when the Funeral Benefit under this **policy** will cease.

4.2 Early Payment Benefit

If **you** are **terminally ill**, **we** will advance **your** full Funeral Benefit, helping **you** to arrange **your** financial affairs. The Early Payment Benefit is not payable until after **your** first **policy anniversary**.

We must receive notice of any claim for the Early Payment Benefit as soon as reasonably possible.

Please refer to Section 6 When will cover stop?, for when the Early Payment Benefit under this **policy** will cease.

4.3 Premium Pause Benefit

You may choose to activate the Premium Pause Benefit which allows **you** to stop paying **your premium** payments for up to 3 months over the life of the **policy**. While **your premiums** are paused, **your** GIO Funeral Insurance **policy** will only cover **you** in the event **you** die as a result of an **accident**. After the pause has ended, and **you** have restarted paying **your premiums**, **your** Funeral Benefit will again become payable in the event of **your** death as a result of any cause.

While **premiums** are paused, cover under the Early Payment Benefit will not apply. After the **premium** pause has ended, and **you** have restarted paying **your premiums**, cover under the Early Payment Benefit will again become payable if **you** are **terminally ill**.

To activate **your** Premium Pause Benefit, **you** must have paid **premiums** for the previous 12 consecutive months.

The Premium Pause Benefit stops on the **policy anniversary** after **your** 85th birthday, unless cover stops earlier (please refer to Section 6 When will cover stop?).

4.4 Automatic Indexation Benefit

To help keep **your** insurance in line with the cost of living, **your sum insured** will be increased on **your policy anniversary** each year by the **indexation factor** to a maximum of 10%. This means **your premium** will be recalculated to reflect the increased **sum insured** and **your** age if **you** have chosen the stepped **premium option**. If **you** have chosen the level **premium option**, any increased amount as a result of the Automatic Indexation Benefit will be calculated on the rate for **your** age at the time of the increase.

We will advise **you** of **your** new **premium** prior to **your policy anniversary**, and give **you** the opportunity to decline the increase. If **you** ask **us** to not apply the **indexation factor**, **your sum insured** will not change.

The Automatic Indexation Benefit stops on **your** 85th birthday, unless cover stops earlier (please refer to Section 6 When will cover stop?).

4.5 10% Cash Back Benefit

Once **you** have continuously held **your policy** for three years, **we** will refund 10% of the **premiums you** have paid. **We** will do this every three years if **you** continue to hold **your policy**, meaning that **you** will receive a 10% refund on every third **policy anniversary**.

For example, if **you** have paid **us** \$1,000 in **premiums** in the first 3 years since **your policy commencement date**, **we** will refund \$100. If **you** pay \$1,500 in the next 3 years, **we** will refund \$150 after the 6th anniversary of **your policy commencement date**.

4.6 Premium Freeze Benefit (stepped premium option only)

If **you** choose the stepped **premium option**, **your premium** will be recalculated each year as a result of **your** age. The Premium Freeze Benefit allows **you** to stop this increase, meaning **your premium** will remain the same but **your sum insured** will decrease as **you** get older. We will advise **you** of **your** reduced **sum insured** prior to each **policy anniversary**. **You** can ask **us** to end the **premium** freeze at any time by contacting **us**.

The Premium Freeze Benefit stops on the **policy anniversary** after **your** 85th birthday, unless cover stops earlier (please refer to Section 6 When will cover stop?).

4.7 Value Promise

At time of claim for the Funeral Benefit or the Early Payment Benefit, **we** will compare **your sum insured** to the amount you have paid in **premiums** (less any 10% Cash Back Benefit) over the life of **your policy** and, if eligible for payment, **we** will pay whichever amount is greater.

For example, if **your sum insured** is \$8,000 and, over the life of **your policy**, **you** pay \$9,000 in **premiums**, **we** will pay \$9,000 at claim time. This means **you** will never pay **us** more than the amount received at claim time.

4.8 Nominate a beneficiary

Nominating a beneficiary (for example **your** spouse) to receive the proceeds of **your policy** may help avoid any potential delay in the payment of **your** Funeral Benefit. **You** can nominate a beneficiary by completing the form **you** will receive in **your** Welcome Pack and returning it to **us**. If **you** are joint **policy owners**, **you** may make a joint beneficiary nomination, signed by both **policy owners**, so that any payment under the Funeral Benefit can be made to the person **you** both nominate.

If **you** have made a valid nomination and a nominee cannot be located or they died before **you**, the benefit otherwise payable to them will be payable to the **legal personal representative** of **your** estate.

If a **nominated beneficiary** is a minor, the payment will be made to the minor's legal guardian, a trust for the benefit of the minor, or to any person **we** are authorised to pay under the relevant law.

If **you** change **your** mind, **you** can alter **your** beneficiary nomination at any stage by completing a new Nomination of Beneficiary form. A nomination is effective once it is confirmed by **us** in writing.

If **you** have a jointly owned **policy** and do not make a nomination, any payment made under the **policy** will be paid to the surviving **policy owner** or **your** estate if there is no surviving **policy owner**.

5.0 When does cover start?

Your policy will start on the **policy commencement date** shown on **your schedule**. As long as each person to be insured satisfies the eligibility requirements (please refer to Section 2 Who can apply?) cover under **your GIO Funeral Insurance policy** will commence on the date **we** accept **your** application and receive correct payment details.

Once **we** accept **your** application for cover under GIO Funeral Insurance, **we** will send **you** a **schedule** confirming **our** acceptance. This PDS and **your schedule** set out the full terms and conditions of **your** insurance with **us**. Please read these documents carefully and store them in a safe place.

6.0 When will cover stop?

Your policy has no expiry date but there are some circumstances under which cover will stop.

Cover will stop under this **policy** on the earliest of:

- ▶ the date the Funeral Benefit is paid;
- ▶ the date the Early Payment Benefit is paid; or
- ▶ the date the **insured person** dies.

Cover will also stop for all **insured persons** under the **policy** on the earlier of the following events:

- ▶ **your** written request to cancel the **policy** (please note if there is more than one **policy owner**, each must sign the request); or
- ▶ the date **your policy** is cancelled due to non-payment of outstanding **premiums**.

If there is more than one **insured person** listed on the **schedule** and cover stops for one of them, cover will continue for the remaining **policy owner** and the **premium** will be adjusted to cover the remaining **insured person** only.

We will not consider any claim, unless the event giving rise to the claim occurred while **your policy** was still in force. **We** may also cancel this **policy** on any grounds permitted under relevant law by telling **you** in writing.

7.0 When we won't pay

We will not pay the Funeral Benefit if you die during the first 12 months after your policy commencement date as a result of:

- ▶ an accident that occurred prior to your policy commencement date;
- ▶ a sickness; or
- ▶ an intentional self-inflicted act.

We will not pay the Early Payment Benefit during the first 12 months of your policy. If you are terminally ill before this time, your policy will continue provided you continue to pay premiums.

8.0 Your premium

Your premium pays for your cover, government fees and charges and administration costs.

The premium you pay is determined by multiplying your sum insured by the applicable premium rate. A discount may also be applied. Please refer to section 8.1 to determine if you are eligible for a discount.

When you reach the policy anniversary after your 85th birthday, we will stop charging you a premium and your cover will continue at no cost to you unless cover stops earlier (please refer to Section 6 When will cover stop?).

We guarantee that we will not change your premium for 12 months from your policy commencement date. After this, your premium may increase depending on whether you select the stepped or level premium option (explained on the next page) and whether you accept indexation (refer to section 4.4). We can also change the premium rate for all policies of the same kind at any time. In the event we apply an increase to policies of the same kind, we will provide you with at least 30 days' notice and you will be charged the new premium from your next policy anniversary.

We will send you a notice prior to each policy anniversary confirming your premium.

Premiums received are paid into our No. 1 statutory fund. A policy issued in relation to GIO Funeral Insurance is not eligible to participate in any surplus arising in our statutory fund.

Premium options

You can choose between the following premium options:

Stepped premiums

If you choose the stepped premium option, your premium is based on your age, gender and your sum insured. The premium stated on your schedule applies during the first 12 months after your policy commencement date. Ongoing premiums will be recalculated each year based on your age at the time of each policy anniversary. This means your premiums will increase with age.

Level premiums

If you choose the level premium option, your premium is based on your age at your policy commencement date, your gender and your sum insured. If you choose level premiums, ongoing premiums will not increase each year as a direct result of your age but will increase due to any increase to your sum insured, including as a result of the Automatic Indexation Benefit.

If you accept the Automatic Indexation Benefit or apply to increase your sum insured, the increased portion of the sum insured will be calculated based on the applicable premium rate for your age at the time of applying for the increase. If you have had a birthday since your policy commencement date, the premium rate that applies to the increased sum insured will generally be higher than when you applied for the original sum insured.

For Example: Sonia was 62 years of age when she applied for her GIO Funeral Insurance **policy** with a **sum insured** of \$7,000 paying a **premium** of \$38.52 per month.

Sonia has just turned 65 years of age and is applying to increase her **sum insured** by \$3,000 to a total of \$10,000. The **premium** payable for the additional \$3,000 will be calculated based on the **premium** rate for her current age of 65, bringing her total monthly **premium** to \$58.30.

\$7,000 – **premium** calculated on age 62

\$3,000 – **premium** calculated on age 65

8.1. Are you eligible for a discount?

Family Discount

A 20% discount is available for **immediate family members** who each purchase a GIO Funeral Insurance **policy** (including as joint owners). The discount will apply to the **premium** payable (please refer to Section 8.2 How to calculate your premium).

Large Sum Insured Discount

A 10% discount is available if **you** choose the stepped **premium option** with a **sum insured** of \$20,000 or more.

8.2. How to calculate your premium

When **you** apply, **your premium** is based on the applicable **premium** rate for **your** gender and current age, multiplied by **your sum insured**. A discount may also apply.

The following tables contain some sample **premiums** only for GIO Funeral Insurance. To obtain a personalised quote please contact **us** on 1800 604 215 or go online to www.gio.com.au/funeral

8.3. Paying your premium

You can choose to pay **your premium** fortnightly, monthly or annually from the financial institution or credit card **you** nominate. Your **premium** and the frequency **you** have chosen to pay **your premium** are detailed on **your schedule**.

You have up to 30 days from the date each **premium** is due to pay **your premium**. This period is called the days of grace. If **you** do not pay a **premium** within this period, **we** will send a notice to **you** at the address last advised to **us** specifying the date **we** will cancel the **policy** without any refund of **premium**. If **you** are entitled to claim before the date we cancel the **policy**, **we** will pay the benefit that would otherwise be payable on the terms explained in this PDS, less the amount of any unpaid **premium**. **We** will not be liable for any claims after the date of cancellation.

If **we** cancel **your policy** due to non-payment of **premiums**, **you** can contact **us** to reinstate **your policy** up to 3 months after the date of cancellation. In order for **us** to process **your** reinstatement, all outstanding **premiums** must be paid by **you**.

If **we** accept **your** reinstatement application and **you** repay outstanding **premiums**, cover will continue and **your** 12 month **accident** only period under **your** Funeral Benefit will not restart.

8.4. Taxation

Usually **premiums** are not tax deductible and any benefit payments are not assessable for tax purposes. These comments are a guide only and do not take into account changes in taxation laws or **your** particular circumstances. Please ask **your** tax adviser or the Australian Taxation Office about **your** own circumstances.

12.0 Claims

If entitled to make a claim, the **policy owner**, **nominated beneficiary** or **legal personal representative** can contact **us** on 1800 604 215 and **we** will then send a claims pack that needs to be completed to **our** satisfaction and returned to **us**.

If **you** have made a valid nomination, which **we** will confirm with **you** in writing, **we** will pay any benefit payable as a consequence of **your** death in accordance with **your** nomination.

In order to assess a claim, **we** can ask for information **we** might reasonably need and obtain medical and other records to ensure that the terms and conditions of the **policy** as set out in this PDS are satisfied.

To make a claim under the Funeral Benefit, the surviving **policy owner**, **nominated beneficiary** or **legal personal representative** is required to notify **us** as soon as

reasonably possible after the date of **your** death. The following information will be required:

- ▶ claim form completed by the surviving **policy owner**, **legal personal representative** or **nominated beneficiary**;
- ▶ certified copy of the death certificate or other satisfactory evidence;
- ▶ certified proof of identity (birth certificate, drivers licence or passport); and
- ▶ if there is no joint **policy owner** and **you** did not make a valid beneficiary nomination, a certified copy of **your** will.

To make a claim under the Early Payment Benefit, **you** are required to notify **us** as soon as reasonably possible after the date **you** are **terminally ill**. The following information will be required:

- ▶ claim form completed by **you** and **your** medical practitioner; and
- ▶ certified proof of identity (birth certificate, drivers licence or passport).

Payment of a benefit under this **policy** will be subject to relevant legislative requirements being adhered to and, depending upon individual circumstances, additional information may be required by **us**. The **policy owner**, **nominated beneficiary** or **legal personal representative** will be required to pay for the cost of satisfying these claim requirements, unless **we** notify **you** otherwise.

To assess **your** claim promptly, **we** need to ensure the information provided to **us** at the time of application is correct, for example **your** age. If **we** have received any false information, **we** may refuse the claim, adjust the **premiums** paid by **you** or the benefit payable by **us**.

We may refuse the claim if **we** are disadvantaged by any delay in notifying **us** of a claim.

All payments are made as a lump sum in Australian currency.

We will not consider any claim, unless the event giving rise to the claim occurred while **your policy** was in force.
